Circular Order No.

The services of Police officers and men are often lent to the Managers of Dramatic Companies and conductors of wrestling matches to keep order during such performances. In doing this a diversity of practice is seen to exist in different places, different rates of remuneration being levied for such services. To bring about a uniformity of practice, the following instructions are issued for the information and guidance of all Police officers.

2. The loan of the services of all Police officers and men should be with the previous sanction of the Superintendent of Police to whom the parties should apply in time.

Note 1. On no account should this help be given to the prejudice of routine duties,. Men off duty alone should be deputed and by turns to give a chance to all men.

Note 2. When there is no application made by the parties for the services of a specified number of officers and men the local Police officer should all the same depute a sufficient number of officers and men to preserve peace and order. but no change will be made.

The remuneration to be charged for such service is as follows:-

	Day or night. up to 12 o'c	Whole day or night.
Inspectors and Sub-Inspectors.	3-0-0	Rs.5-0-0

Note The same rates will be charged for any part of a half a day or night, as for half a day or night and for any time after 12 as for a whole day or night.
